Play-Cricket Reminder: • The NCB will upload these fixtures to the play-cricket website but clubs will need to change the details if fixture dates are changed.
• The **HOME TEAM** is responsible for adding the result to play-cricket after the match. Only key stats needed but full scorecard welcomed.

General Fixture Reminder: • All fixture dates should be agreed by both teams by **1st May 2022**. (Dates set by ECB for 2022)
• Fixtures can take place on weekends or weekdays. Sundays are not the only option.
• The minimum overs per innings is 20 and the maximum is 30 overs per innings. Please decide with the opposition prior to the fixture
• Please do your best to ensure fixtures take place. (8-a-side is the default number of player per team, **can be more if agreed prior to match**)

Please inform NCB competition organiser (Peter Free) of any changes to the fixture list above once agreed with both teams. This is the home team responsibility. Please do not hesitate to contact the NCB should you have any questions or queries.
