

Dear Club Secretary

Vitality Girls U19 Club T20 Competition 2023

Following the successful launch of this competition in 2022 with over 70 clubs entering I'm delighted to be able to provide the details for next season. This will culminate with the National Semi-Finals & Final being held at the end of August, the winning team will also receive 20 complimentary tickets for one of the England Womens' matches against Sri Lanka in September.

The entry for next season's competition is either via the attached email entry form to sue.laister@ecb.co.uk or competitions@ecb.co.uk

The deadline for all entries is Friday 10th February 2023.

The draw will be released by Friday 24th February and will be split regionally & as a result some regions may be required to play more rounds than others (depending on the number of teams in each region). There may be a necessity for a preliminary round in which case these matches will need to be completed by 22nd May.

The first named team in each round (up to and including the regional group final) will host the match, the second named team will be away. For the national semi-finals & finals day the ECB will source a neutral venue and will provide overnight accommodation for the teams.

Matches should be played on the set fixture date (as outlined below). However, if both teams agree to an alternative date (earlier or later than the set date) the match date may be amended providing that it is **no later** than one week before the next round of the competition. Clubs are advised that in considering alternative dates weekday evening matches are permissible.

Clubs will be required to meet the costs of umpires until the regional group finals, ECB will appoint & assume this responsibility from this point. The home club should contact their County ACO to arrange umpires or may use a qualified club umpire. The ECB will provide pink Tiflex balls for all rounds of the competition.

Yours sincerely,

Sue Laister
Competitions Manager
