

## VOLUNTEER ESSENTIALS

### Fundraising

£950

We ask all new volunteers to raise a minimum of £950 for the charity to cover the costs of the project, including transport, accommodation and most importantly the cricket equipment that is left in the country.

CWB is on [JustGiving](#) and [Give as you Live](#) and so setting up a fundraising page is simple and easy. Volunteer fundraising is the main source of the charity's funding and helps ensure that we can have the biggest impact possible.

£1,200-1,700

### Other Costs

Each volunteer is responsible for financially covering the following project costs: international flights, insurance, DBS, vaccinations and food and drink. Depending on flight costs and exchange rates these additional costs will be between £1,200 - £1,700 in total per person. In addition, we host a dedicated training weekend, in preparation for your trip, each volunteer is also responsible for their own travel, accommodation, and expenses to attend.

### CWB Kit

Each new volunteer will receive three polos, two pairs of shorts or trousers and a hat for their trip. There is also the option to purchase additional items at the [CWB shop](#). Please see separate information for how to order kit.

### Training Weekend

14-15 Sept

The Autumn 2024 project training weekend will be held on 14-15 September 2024, at [Finham Park School, Coventry](#). At the training weekend you will get to meet members of your trip team, your team leader and receive hands-on training with CWB's coaching methodology that combines fun cricket drills with important health education.

## VOLUNTEER WITH CWB

### Who we are

Cricket Without Boundaries works with partners around the world to grow the game of cricket, while using the sport as a platform for health education and social change. It is run almost entirely by the dedication and enthusiasm of its volunteers. Founded in 2005, CWB is one of the world's leading cricket development charities.

CWB has coached tens of thousands of children in some of the poorest communities in the world as well as training several thousand adults to become ICC qualified cricket coaches. CWB is committed to taking the game of cricket to a new generation of coaches and children in Africa, as well as supporting existing cricket development.

PROJECT  
BLOGS

### Our Projects

CWB currently sends projects to **Kenya, Uganda, Rwanda, and Nepal**. Our trips typically last two weeks and are normally packed full to ensure the maximum impact in the country. Each project is made up of 8-10 volunteers, including an experienced team leader who is in charge of organising project logistics and liaising with local ambassadors to arrange the itinerary.

Projects will have a mix of those with cricket experience and those with no knowledge at all. All we ask for a willingness to work hard and get involved!

### Autumn 2024 Project Dates:

- Rwanda (28 Sept - 13 Oct)
- Uganda (28 Sept - 13 Oct)
- Kenya (5 -20 Oct)
- Nepal (23 Nov - 8 Dec)

Please note all dates are subject to flight availability and final confirmation from our in-country ambassadors.
